1. ACADEMIC FORMATION

2012 – current Undergraduate in Biological Science, Universidade Federal de Santa Catarina.

2. QUALIFICATIONS SUMMARY

I have skills in managing people and resources, and experience to lead and manage teams in projects involving fieldwork and reports. During my undergraduation I won experience in Simbiosis Junior Enterprise of Biological Science which I have dealt directly with bureaucratic and financial matters. I also worked in others projects in many áreas such as Microbiology, Mycology and Vertebrate Zoology, beyond to act in wildlife faunal assessments. Currently I work in Marine Macroecology and Biogeography Lab, where I am developing my undergraduate monography. I also take part of the Internship Program at Eletrosul/Eletronbras working with Environmental Licensing.

3. MAIN GOALS

My main goals is to understand the community structure in aquatic and terrestrial environments. Besides, I want to collaborate on environmental management, recovery and restoration, and reconciling social, economic and environmental development.

4. PUBLICATIONS

Giachini, A.J.; Armas, R.D.; Rodrigues, T.B.; **Inagaki, K.I.**; Flores, G.D.A. . Diversidade e biogeografia de fungos e bactérias do Parque Estadual da Serra do Tabuleiro, SC: Uma visão conservacionista. In: 24ª Seminário de Iniciação Científica – UFSC, 2014, Florianópolis. Resumos do 24ª Seminário de Iniciação Científica – UFSC, 2014.

5. OTHER RELEVANT INFORMATION

Languages

- Portuguese: native language
- English: basic reading, writing and speaking
- Spanish: basic

Diving qualifications

- PADI Open Water Diver

SHORT CURRICULUM VITAE

Staff working

- Ciclo de Palestras da Simbiosis Empresa Júnior de Ciências Biológicas
- XV Semana Acadêmica da Biologia
- XVI Semana Acadêmica da Biologia
- XVII Semana Acadêmica da Biologia

6. FIELDWORK EXPERIENCE

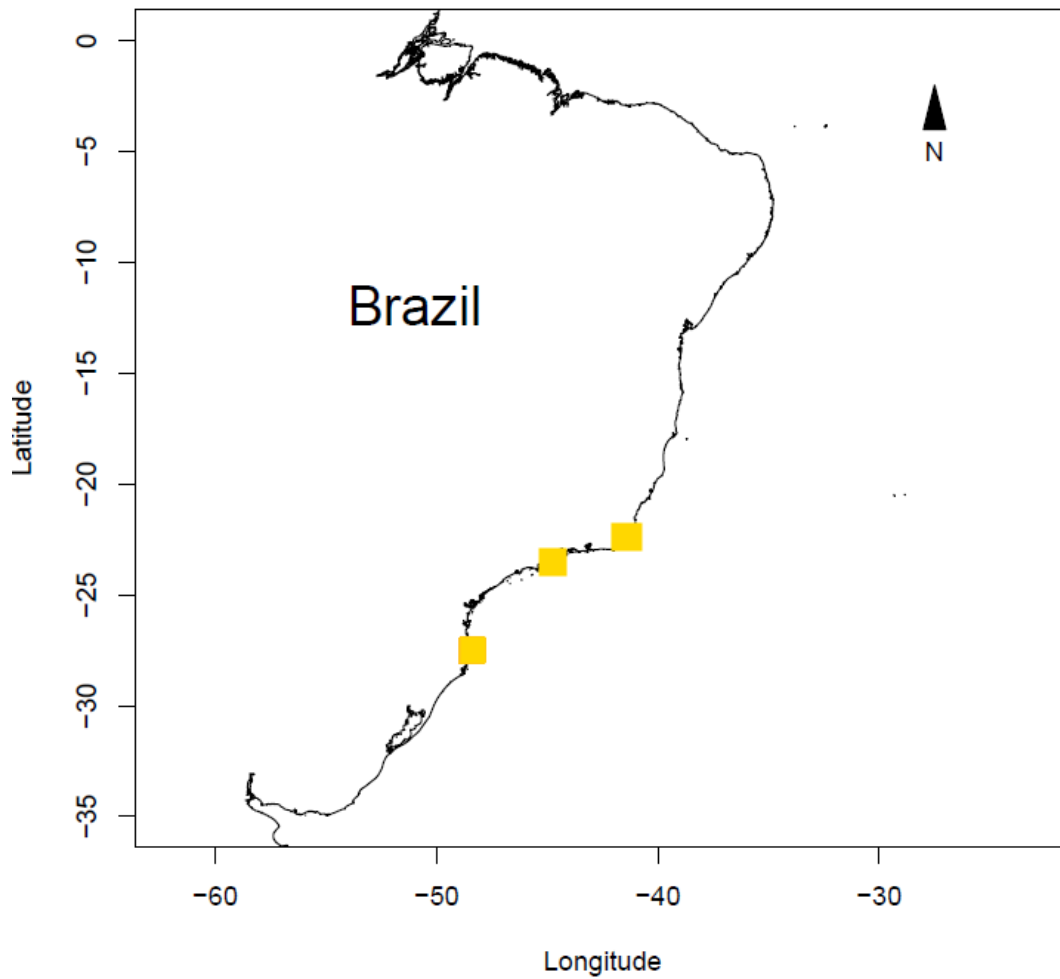

Figure 1 – Yellow points represents places where I have practiced snorkeling and Scuba Diving: Arraial do Cabo (Rio de Janeiro state), Ubatuba (São Paulo state) and Florianópolis (Santa Catarina state).
